

Mill Creek Watershed Partnership

The Mill Creek Watershed Partnership supports approved implementation of the Watershed Protection Plan (WPP). The Partnership is a voluntary proactive organization of stakeholders working to improve surface water quality in and around Mill Creek. Stakeholders are those who live, work, or have an interest in the water quality in the Mill Creek Watershed. We encourage all those who wish to become involved or learn more to sign up to the list-serv and attend quarterly meetings.

Public input is critical to improving and protecting the quality of Texas' waters and is a key component of any effective Watershed Protection Plan (WPP). This watershed partnership will provide stakeholders a voice in the planning process and allow for the effective implementation of the actions agreed upon and laid out in the Mill Creek WPP.

To see if you live in the Mill Creek Watershed look at the map to the right. If you are in the light colored area, you live in the watershed.

For more information on the Mill Creek Watershed contact:

millcreek@ag.tamu.edu or
annalee.epps@ag.tamu.edu

You can visit the website at:

- **April 7th: Austin County Extension Office — CLOSED for Good Friday**
- April 8th: Bluebonnet Master Gardeners Annual Plant Sale — Sealy, 9 am

Multi-County New Landowners Series 2023

The Multi-County New Landowner Education program is a series of eight informational meetings/seminars/field days designed to make new landowners in Austin, Colorado, Fayette, & Washington Counties aware of what types of agricultural enterprises are best for their property. Participants in the program will hear from experts in various fields of agriculture concerning the best management practices that they can implement on their own property. This innovative program assists new landowners in understanding the concepts of rural living. Participants in the program are given exposure to ideas on raising livestock and horses, plant identification, fence building, applying pesticides, soil testing, stock pond management, pond construction, fruit and nut production, and much more. The program also serves as a way for new residents of the four counties to network and meet new people in their communities, find out what can be done on their land, what operations can be profitable, and possibly what opportunities they have to serve the community.

Programs will be held on the third Friday of the months of February through May and August through November. Each month's meeting will be held at a different location in one of the four participating counties. The meetings will begin at 1:30 p.m. with registration and last until 5p.m. The cost for the program series is \$125.00 per person, \$200.00 per couple for all eight meetings, or \$20.00 per person per meeting. Continuing Education Units (CEUs) for pesticide applicators will be offered as they are applicable. A great selection of refreshments will be provided at each session. Participants who sign up for the **entire series** will receive a notebook at the beginning of the series to fill with handouts and reference material that will be useful as they move forward with improvements on their property.

- **February 17th** – Introduction and Program Overview – Ag & Wildlife Valuations
- **March 17th** – Pond Management – Construction, Aquatic Weed Control, and Stocking
- **April 21st** – Weed & Brush Control – Plant Identification, Control Recommendations for Common Weeds & Brush
- **May 19th** – Forage &/or Livestock Production – Options for Small Acreage Operations
- **August 18th** – Bees and Trees for Homeowners
- **September 15th** – Horticulture Production – Fruit Trees, Pecans, and Grapes for Landowners
- **October 20th** – Wildlife Management and Native Prairie Restoration
- **November 17th** – Emerging Issues

For more information on the program, contact Texas A&M AgriLife Extension Service of Austin County at (979) 865-2072, or visit our website at <https://washington.agrilife.org/ag/nlo/>

VIRTUAL HOMEOWNER MAINTENANCE OF SEPTIC SYSTEMS COURSE

Need to become certified to maintain your septic system? Great news! You can complete the Homeowner Maintenance of Septic Systems course [online](#)! Upon completion, contact your TCEQ authorized agents to finalize the certification process.

For Austin County residents

Erica Resendez at 979-865-5911 or
planning3@austincounty.com

SIGNS OF FAILING SEPTIC SYSTEMS

- Standing water around your septic tank
- Unpleasant smell
- Bright green lush grass around your septic tank
- Sewage backup
- Slowly draining bathtubs, showers, and sinks
- Noises in your plumbing system
- Excessive growth of algae in nearby ponds

AUSTIN COUNTY HOG BOUNTY

Austin County Commissioners Court is offering a bounty on feral hogs. Participants will be awarded \$5 per feral hog harvested in Austin County, with biological evidence provided of harvest in the form of a pair of feral hog ears. Each pair must be placed in an individually sealed bag and dropped off at 1 of the 3 drop off locations. Three local feed stores in the county - Steinhauer's in Sealy, Linseisen's Feed & Supply in Bellville, and Lindemann Store in Industry, will serve as the drop off locations.

A limit of 20 pairs per household per month is allowed. All feral hogs must be harvested in Austin County & signed paperwork must be filled out completely to collect the bounty.

See Flier on Page 11

Regional Pecan Show Results

Austin County had five pecan entries move on from the county show to the East Regional Pecan Show for the 2022 crop year. There was a total of 93 entries from 12 different counties. Judging was held on Wednesday, January 11th in College Station. Judges for this event were: Warren Chatwin, Keith Kubenka, Braden Tondre, and Xinwang Wang, all from USDA-ARS Pecan Genetics, and Bill Ree, Extension Entomologist (retired). Special thanks to Boone Holaday, Fort Bend County Horticulture Agent, and Mr. Robert Luedeker, Austin County Pecan Grower for their assistance with processing.

The results are as follows:

- 2nd Place Choctaw– Linda Villarreal
- Reserve Champion Native - Luedeker Farms (JV Favorite)
- 2nd Place Natives- Luedeker Farms (JV Favorite)
- 3rd Place Natives- Annie Wittner

Lunch-N-Learn Series 2023

Bluebonnet Master Gardeners of Austin County are pleased to present the 2023 “Lunch-N-Learn” series which will be hosted on the third Tuesday of each month from January-May and September-October. The overall series will feature topics related to horticulture with homeowner and backyard gardeners in mind! Speakers are experts in their fields and practical gardeners with great tips and information for everyone.

Programs are held in-person at the Texas A&M AgriLife Extension Office of Austin County located at 800 E. Wendt Street in Bellville. Program registration will begin at 11:50am with the program beginning promptly at 12:00pm and concluding by 12:55pm. At the conclusion of each session, the speaker and our Austin County Master Gardeners will be available to help answer gardening questions.

All Master Gardener Lunch-N-Learn programs are FREE and OPEN to the public and you are welcome to bring your own lunch and drink. We will have a few refreshments available as well. Registration is not required but is encouraged.

Our Series dates and topics will be as follows:

- Tuesday, February 21st - Garden Stretches: Stop the Ache Before You Rake
- Tuesday, March 21st - Composting by Mary Karish
- Tuesday, April 18th - Topic is pending
- Tuesday, May 16th - Orchids
- Tuesday, September 19th - Plumerias
- Tuesday, October 17th - Wonderful World of the Honeybee

2023 CEU Applicator License Holders Allowances

Agricultural Applicators — Beginning in 2023, applicators must have all of the required CEUs to renew their private, commercial and noncommercial applicators licenses. Upon receipt of the 2023 renewal notice, submit the appropriate renewal fee(s).

Structural Applicators—MUST have obtained ALL of their required CEUs in the calendar year preceding the calendar year in which their license expires OR they may NOT renew. If you renew without CEUs, you are subject to a \$300 penalty and/or denial of license renewal. Live interactive (proctored by camera) webinars will be allowed in 2023.

MULTI-COUNTY URBAN & HOMEOWNER SOIL TESTING CAMPAIGN

Texas A&M AgriLife Extension Service of Austin County presents the Multi-County Urban & Homeowner Soil Testing Campaign in conjunction with Colorado, Fayette, and Washington Counties. This event will run from February 1-28, 2023, and is limited to soil samples for growing flowers, gardens, turfgrasses, trees, and woody ornamentals. This campaign is made possible through the support of the Multi-County Ag Committee and is in cooperation with the Texas A&M AgriLife Extension Soil, Water, and Forge Testing Lab in College Station.

Soil samples submitted during this time frame will be \$8.00 for a routine analysis and \$15.00 for a routine analysis including micro-nutrients. You may pick up information, collection bags, and forms at one of the following locations around Austin County: Bellville - Texas A&M AgriLife Extension Service of Austin County (located at 800 E Wendt St), Bellville Farm & Ranch, and Linseisen's Feed & Supply Inc; Sealy - Steinhäuser's; Cat Spring - Bernardo Farm & Ranch Supply; and Industry - Lindemann's Store. Soil samples, forms, and payment should also be returned to one of these locations. Please check with your local County Extension office for their locations.

See Flier on Page 6

Private Application Training for 2023

If you plan on using a state limited use or state restricted use pesticide, such as Grazon P+D, 2 4-D, Weedmaster, etc., and need a license, the Texas A&M AgriLife Extension Service of Austin County will be hosting several Private Applicator Training classes during 2023 at the Austin County Extension Office, 800 E Wendt St., Bellville. Books and study materials for the course may to be purchased ahead of time at the Extension Office for \$50.00. A registration fee of \$10.00 will be charged for the training. The registration fee will include the training and additional study materials. The training will begin at 1pm and conclude about 5pm, available on the following days:

- Friday, February 10, 2023
- Friday, May 5, 2023
- Friday, August 4, 2023
- Friday, November 3, 2023

The Texas Department of Agriculture, who oversees the testing and administration of Applicator Licensing, has contracted with PSI Services to administer the exam for agricultural pesticide applicator licensing. Applicants will coordinate testing with PSI at one of their 22 locations around Texas. Details on the process, locations, cost, and other pertinent information will be provided at the training to help applicants complete the licensing process. Once applicants have completed the training and passed the exam with a score of 70 or above, they will be eligible to apply for the Private Applicator License, allowing for the purchase of all state limited use and restricted use pesticides used in agriculture.

Important: If an applicant has any questions about licensing or exam categories, please contact TDA at 800-835-5832 or 512-463-7622 or Texas Department of Agriculture – Agriculture Pesticide Program, P.O. Box 12847, Austin, TX 78711.

Private Applicator License Trainings for 2023

Friday, February 10, 2023

Friday, May 5, 2023

Friday, August 4, 2023

Friday, November 3, 2023

Training is from 1pm to 5pm

Check in/Registration starts 15 mins prior

Date & Time are subject to change

Training will be conducted at

Texas A&M AgriLife Extension Service of

Austin County located at

800 E Wendt St., Bellville, TX 77418

The purpose of this training is to obtain a Private Applicator License from Texas Department of Agriculture (TDA). This license will enable the applicator to purchase and apply state limited use and federally restricted chemicals on his land or land he has control of for the purpose of production of agricultural commodities. All farm and ranch operators who do not have a Private Applicator's License to purchase "restricted use" pesticides (such as 2, 4-D, Grazon P+D, Tordon 22K, etc.) will need to attend this training.

If you are interested in obtaining a Private Applicator License Training and need a different date, please contact the Austin County Extension office at (979) 865-2072 to purchase the manuals.

What is it?

The Multi-County New Landowner Program is a series of meetings, seminars, and field days designed to provide information and resources related to agriculture, natural resources, wildlife, and land stewardship for new landowners in Austin, Colorado, Fayette, and Washington counties. Participants in the program will hear from Extension experts in various fields about best management practices they can implement on their own property.

What does the program cost?

If attending **all sessions**

\$125.00 per person or \$200.00 per couple
*\$15.00 savings per person for entire series
 or \$80.00 savings per couple for entire series*

If attending **select sessions**

\$20.00 per person for each session
 Payable at the door or in advance.

What do you receive with your full enrollment?

- ◆ 24+ hours of instruction, training from experts
- ◆ Notebook **FULL** of publications and resources
- ◆ Opportunity for one-on-one discussion with experts, County Extension Agents, and others
- ◆ Opportunity to visit local farms/ranches
- ◆ Opportunity to network with other landowners
- ◆ Get your agriculture and natural resource questions answered and dispel internet myths

What is AgriLife?

Extension is a public agency based within the land grant university, Texas A&M University. We have agents in each Texas county that act as an Extension of the University knowledge and research. We provide research-based information to help Texans better their lives.

What do we do?

We provide programs, tools, and resources - on a local and statewide level - that teach people how to improve agriculture and food protection, advance health practices, protect the environment, strengthen our communities, and enrich youth.

Austin County Feral Hog Bounty Program

Sponsored by: Austin County Commissioners Court

Austin County Bounty Program:

Subject to fund availability, participants will
be awarded \$5 per feral hog harvested in
Austin County. Biological evidence MUST
be provided of harvest in form of a pair of
feral hog ears. Each pair must be placed in
an individually sealed bag and dropped off
to 1 of the 3 drop off locations.

Only 20 pairs
per household
per month

\$5/pair
of ears

Drop Off Locations:

- Steinhauser's (Sealy location ONLY)
- Linseisen's Feed & Supply (Bellville)
- Lindemann Store (Industry)

Feral hogs can be harvested until funds are depleted. All feral
hog MUST be harvested in Austin County.
